APPLICATION FOR TRANSFER OF CONTROL
OF DOMESTIC SECTION 214 AUTHORIZATION

The tendering shareholders of Lancaster Telephone Company dba Comporium ("Lancaster" or "Transferor") and Rock Hill Telephone Company dba Comporium ("RHTC" or "Transferee") hereby jointly request authorization to transfer control of the domestic Section 214 authorization held by Lancaster. RHTC, which currently owns approximately 49% of the voting stock of Lancaster, shortly will make a tender offer to purchase all remaining equity interests in Lancaster. RHTC is confident that the offer will result in its ownership of more than 50% of the voting shares of Lancaster, thereby effecting a transfer of control upon consummation of the proposed purchases. RHTC fully anticipates that the tender offer will result in its ownership of 70-90% of the outstanding voting equity of Lancaster. Accordingly, RHTC seeks the Commission's consent to the contemplated transactions.

caster, thereby effecting a transfer of control upon consummation of the

Although the transaction does not qualify for streamlined processing pursuant to 47 C.F.R. § 63.03,¹ the proposed transaction is both small in relative terms, and uncomplicated. RHTC currently holding approximately 49% of the voting shares of Lancaster, and provides management and other administrative services to Lancaster. Accordingly, the consummation of the proposed transactions will rationalize and streamline existing operations. RHTC is controlled by individual members of the Barnes family and Barnes family-owned business entities. Lancaster is also owned and indirectly controlled by Barnes family members through family members' ownership in both RHTC other business entities. The proposed transaction, which applicants seek to consummate on or before January 31, 2009, will result in Lancaster continuing to exist and operate, and continuing to provide services to subscribers pursuant to current rates, terms and conditions. The transaction will, therefore, be transparent to subscribers and regulators alike.

In a related transaction, which is the subject of an additional application filed this date, RHTC seeks authorization for the transfer of control of Fort Mill Telephone Company ("Fort Mill"), proposing to acquire all of the stock interest in that company through a merger. RHTC, already holds 48% of the voting shares of Fort Mill and will, upon receipt of all necessary regulatory approvals, operate Fort Mill as a wholly-owned subsidiary. Although the proposed transaction would result in an increase of RHTC's ownership interest from below 50% to 100% interest, triggering a "transfer of control" under the Commission's Rules, the ultimate ownership by individual Barnes family members will not be altered significantly. Consummation of the two proposed transactions will further rationalize the ownership and management of neighboring companies that already share several elements of commonality. The resulting efficiencies will

result in improved service to the public. Accordingly, the parties seek the Commission's expeditious review.

In support of this application, the following information is submitted in accordance with the requirements of the Commission's Rules:

(5) Certification pursuant to 47 C.F.R. Sections 1.2001 through 1.2003 that no party to the application is subject to denial of Federal benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988.

All parties to this application hereby certify, pursuant to 47 C.F.R. Sections 1.2001- 1.2003, that no party to the present application is subject to denial of Federal benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988.

* The nonvoting shares are held within the families of each of John M. Barnes, Sr. (deceased), Frank Barnes and E.L Barnes, including themselves, their spouses, their children, grandchildren and great- grandchildren, as well as trusts for the same.

² Trustees John M. Barnes, Jr. and Charles D. Barnes are US citizens.

³ See explanatory note under RHTC ownership, above, for additional information regarding ownership of LAB Associates, LP.

(6) Description of the Transaction:

RHTC plans to issue an offer to all Lancaster shareholders to tender their shares for purchase by RHTC at a set price, without any qualification related to minimum tender amount. RHTC is confident that sufficient shares will be tendered to result in its ownership of an amount in excess of 50% of the voting shares, and thus files this application in anticipation of that event.

RHTC seeks the Commission's permission to assume control and purchase up to 100% of all issued and outstanding shares in Lancaster. Although it cannot at this time predict the exact ownership interest to be produced by the tender offer, RHTC believes that its ownership share will constitute at least a super-majority of voting interests (defined under Lancaster's by-laws as 66.667%), effectively insulating any future corporate decision from outside voting interests. RHTC also anticipates that there will be no other 10% or greater shareholder after consummation of the transactions generated by the tender offer. RHTC seeks immediate authorization to initiate and complete the transactions that will result in its assuming voting control of Lancaster, and commits to informing the Commission of the exact percentage of its ownership holdings upon consummation of all transactions generated by the tender offer.

Both Rock Hill Telephone Company and Lancaster Telephone Company are local exchange and exchange access service providers. The proposed transaction also will result in a transfer of control of Lancaster's minority interests in other telecommunications companies, including its 12.64% ownership interest in Comporium Wireless, LLC.⁴

(7) Description of the geographic areas in which the transferor and transferee (and their affiliates) offer domestic telecommunications services, and what services are provided in each area:

Lancaster Telephone Company dba Comporium

Lancaster Telephone Company dba Comporium provides local exchange and exchange access service to 22,515 access lines in Lancaster County, a north-central county in South Carolina.

Rock Hill Telephone Company dba Comporium

Rock Hill Telephone Company dba Comporium provides local exchange and exchange access service to 49,882 access lines in York County, South Carolina; this service area is

⁴ Comporium Wireless, LLC is already controlled by RHTC, which holds 66.45% of that entity. Fort Mill Telephone Company, the subject of the companion application for transfer of control described above, owns the remaining 29.91% ownership interest in Comporium Wireless, LLC. Accordingly, with approval and consummation of these two transactions, RHTC will control 100% of the voting interests in Comporium Wireless, LLC. Appropriate change of ownership information will be filed with the Commission as required.

adjacent to the service territory of Lancaster.⁵ Together, the affiliated Comporium companies, including Lancaster Telephone Company, Fort Mill Telephone Company, PBT Telecom, Inc., and Home Telephone Company, provide local exchange service to 18 exchanges in South Carolina serving approximately 147,000 access lines through affiliated companies.⁶

The Comporium companies provide local exchange telephone services, enhanced local calling features, long distance toll services, Internet access, cable television services, and competitive local exchange services in communities neighboring incumbent local service areas. In addition, a Comporium affiliate offers wireless service within a geographic area coextensive with certain other affiliates' incumbent telephone service areas. See attached Service Area Map, Exhibit 1.

Rock Hill Telephone Company, Fort Mill Telephone Company, Home Telephone Company, PBT Telecom, Inc. and Lancaster Telephone Company serve approximately 2350 square miles in and around the communities of Rock Hill, York, Tega Cay, Fort Lawn, Moncks Corner, Harleyville, Pelion, Pond Branch, Gilbert, Wagener, Ridge Spring, and Swansea South Carolina and certain unincorporated areas of York, Lancaster, Berkley, Chester, Dorchester, Orangeburg, Kershaw, Lexington, Aiken, Calhoun, Edgefield, and Saluda Counties. Both Rock Hill Telephone Company and Fort Mill Telephone Company, face competition from a competitive local exchange carrier, tw telecom (fka Time Warner Telecom). Competitive wireless services are available from Alltel, AT&T Wireless, Cricket, Sprint and Verizon.

Another RHTC affiliate, Community Long Distance, Inc., offers toll service to the areas served by its local exchange affiliates. An affiliate of Community Long Distance, Inc., Springboard Telecom, LLC, also offers competitive local exchange and exchange access services to the communities of Charlotte, Gastonia, Shelby, Kings Mountain, Lincoln, Statesville, Bessemer City, Rutherfordton, and Lake Norman, North Carolina. Community Long Distance, Inc. competes with more than 20 long distance carriers for intra- and interstate toll business.

RHTC affiliate PBT Communications, Inc. provides competitive local exchange services in parts of incumbent AT&T's Batesburg-Leesville, South Carolina exchange, and in parts of ALLTEL's Lexington, South Carolina exchange. In addition, it provides domestic (intra- and interstate) and international toll services to residences and businesses located within PBT Telecom, Inc. and its own exchange areas.

⁵ The Lancaster service area is also adjacent to the service area of Fort Mill Telephone Company, the company which is the subject of a companion request for transfer of control to RHTC, filed contemporaneously with this application.

⁶ In addition, pursuant to authority granted under WC Docket No. 08-200, RHTC consummated its acquisition of Citizens Telephone Company of Brevard NC on December 1, 2008, adding approximately 20,000 access lines in Brevard, North Carolina and surrounding Transylvania County, North Carolina.

Map

A map showing the affected local exchange service areas is attached as Exhibit 1.

- (8) Statement as to how the application fits into one or more of the presumptive streamlined categories in section 63.03 or why it is otherwise appropriate for streamlined treatment:**

The instant Application is not presumptively entitled to streamlined processing under Section 63.03(b) of the Commission's Rules. The proposed transaction is, however, uncomplicated, relatively small and transparent to the public and regulatory authorities. Accordingly, the parties seek expeditious review and grant of the Application.

- (9) Identification of all other Commission applications related to the same transaction:**

Lancaster holds the following radio licenses:

KBZ913 – Industrial/Business Pool, Conventional
WNVN791 – Industrial/Business Pool, Conventional

Contemporaneously with the filing of the instant Application, the parties are preparing and will file an application for Commission consent to the transfer of control of these licenses to RHTC.

- (10) Statement of whether the applicants are requesting special consideration because either party to the transaction is facing imminent business failure:**

No party to the application is requesting special consideration because of imminent business failure.

- (11) Identification of any separately filed waiver requests being sought in conjunction with the transaction:**

There are no separately filed waiver requests being sought in conjunction with the transaction.

- (12) Statement showing how grant of the application will serve the public interest, convenience and necessity, including any additional information that may be necessary to show the effect of the proposed transaction on competition in domestic markets:**

The proposed transaction proposed the consolidation of interests of small, family-owned local exchange carriers, leading to increased efficiencies and resulting public benefits. The

provision of community-based telecommunications service providers will thereby be strengthened.

Conclusion

In light of the foregoing, the parties respectfully request grant of the requested authorization on a streamlined basis.

Respectfully submitted,

**Tendering Shareholders of Lancaster
Telephone Company dba Comporium,
Transferors**

and

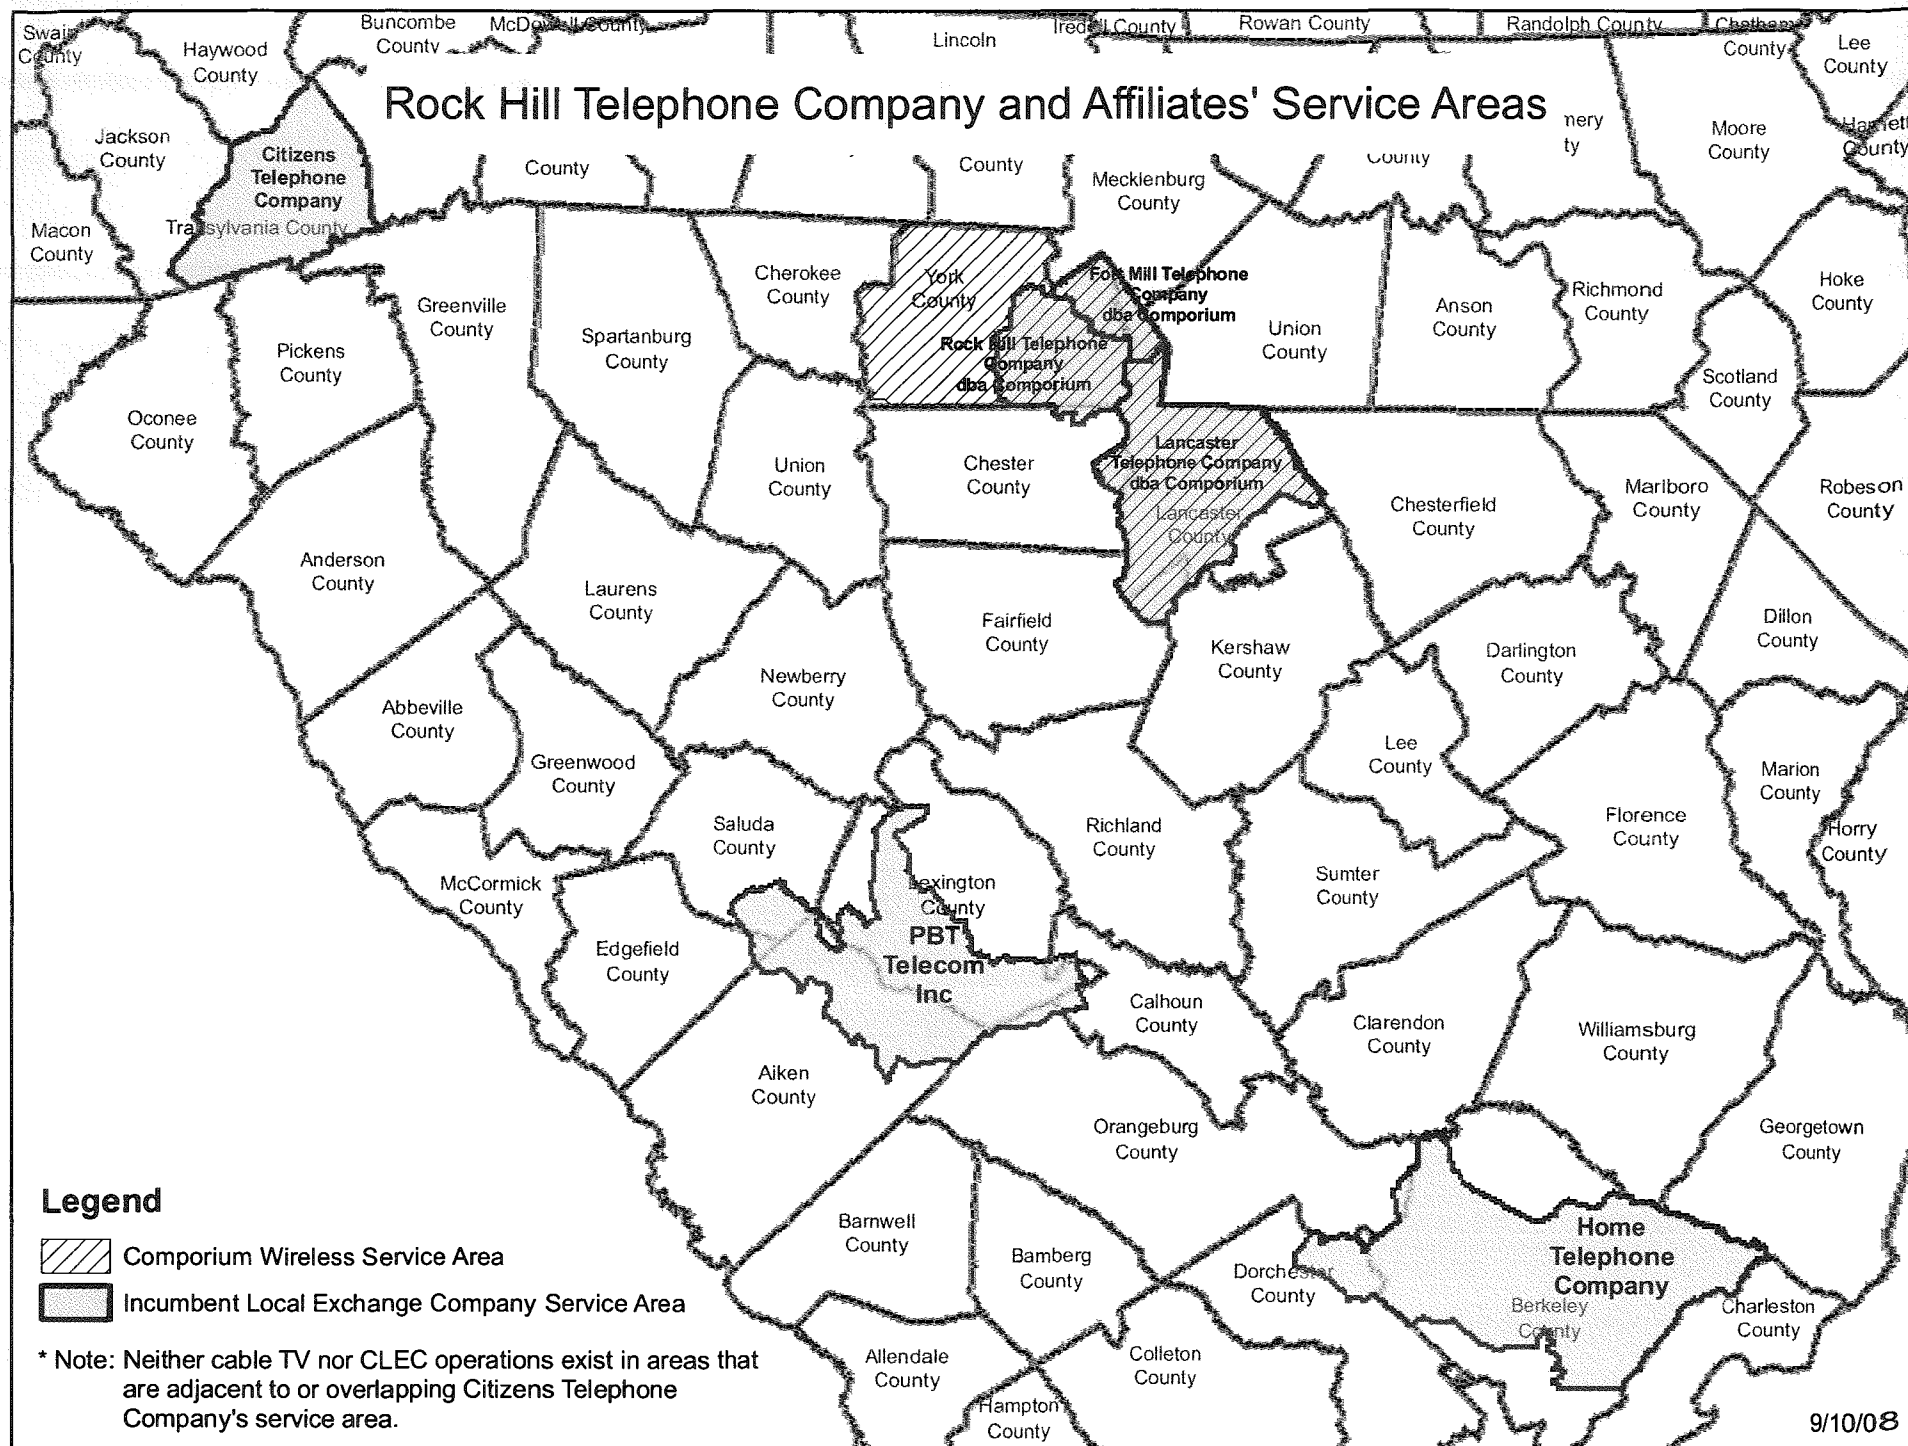

**Rock Hill Telephone Company dba Comporium,
Transferee**
